

Alumni Association Report

Session 2019-2020

The alumni meet **once** in a year. In this meeting present and former students discuss various things regarding the present education. Alumni share the happy moments of their college life with the present students. Generally the college organizes the meeting in the session ending i.e. at the ending of month of March or in the month of April.

But this year due to the sudden arrival of the disastrous Corona pandemic the whole social, geographical, economical and mostly the psychological condition of the people in the world has been changed. India is also captured by this wave of horrible Corona. That's why the meetings of Alumni could not take place in the scheduled time.

But as there is a famous proverb which says that 'Where there is a will there is a way', holding this wish in mind, the Alumni committee decides that at least a Feedback of Alumni can be taken. Discussing with the members of alumni, it was decided that on 01st May Virtual that is online feedback will be taken through Google form. As the alumni were dispersed here and there, it was also decided that the period of feedback should be flexible. Unanimously it was decided that for filling the online feedback form, duration of 01st May to 10th May will be given to alumni.
