

Knowledge Resource Centre

The Knowledge Resource Centre is the intellectual heart of our institution, dedicated to supporting the academic, research, and informational needs of students, faculty, and researchers. It houses an extensive collection of textbooks, reference materials, journals, newspapers, and access to digital resources, including e-books, e-journals, and academic databases. Equipped with a peaceful reading space, computer facilities, and high-speed internet, the Knowledge Resource Centre creates a conducive environment for independent study, collaborative learning, and innovation. Regular orientation sessions, resource training, and support services are offered to ensure maximum utilization of resources. The centre strives to cultivate a culture of curiosity, critical thinking, and continuous learning, playing a pivotal role in the academic development of our learners.
